

Blue Hill Fair

Livestock Area Camping Registration

Camping in the livestock area is open to livestock exhibitors and staff only.

12' wide campsites along the fence with water and power hookup are \$25 per site. Campers/RVs with slide outs extending beyond 12' when deployed must rent two sites or remain closed.

Campsites may be rented for campers, RVs, or livestock trailers being used as sleeping quarters. Livestock trailers not being used as sleeping quarters must be parked offsite in trailer parking. Tents may set up along the fence if space allows.

Power is limited. The livestock superintendent may limit the use of air conditioners and other high draw electronics to prevent overload. Due to close proximity of campsites, continuous/overnight operation of auxiliary generators is not allowed on fence line campsites.

There is no fee for tents. All tent sites must be approved by the livestock superintendent.

With the exception of service animals and sheepdogs participating in sheepdog trials,
NO DOGS ARE ALLOWED ON THE FAIRGROUNDS.

Limit of 2 vehicles may be parked onsite for each camper/RV

Name: _____ Phone: _____

Email Address: _____

Camper length (including truck if not unhooking)	Camper width with all awnings & slide outs deployed	# of 12' wide campsites requested (\$25 per site)	# of tent sites requested (no fee)

Campsite number/location requested: _____
